

Apparel Export Promotion Council Invites Applications for INTERNATIONAL ENTREPRENEURSHIP DEVELOPMENT WORKSHOPS

organized by

in association with

Empretec India Foundation

to strengthen a culture of entrepreneurship and promote business linkages

ABOUT THE WORKSHOP

This United Nations' flagship capacity-building programme "UNCTAD–Empretec" is running in 40 countries with over five lac entrepreneurs having been trained under it and expanding fast in 20 more. The workshop is aimed at

- Strengthening your entrepreneurial behavior and business skills
- Assist in accessing business development services, facilitate access to financing, help arrange mutually beneficial links with larger national and foreign companies
- Assist in putting in place long-term support systems to facilitate the growth and internationalization of SMEs.

WHO SHOULD JOIN

- Existing small, medium and micro enterprises that have a track record of good business performance
- Potential entrepreneurs with promising business ideas and high growth potential
- Start-up companies with good bankable project proposals

WHY JOIN

The selected delegates participating in these Workshops and showing high levels of entrepreneurial acumen will be invited to participate in the Empretec graduate programme, allowing a host of business development services to be made available through the UNCTAD Business Linkages programme, including access to cross-border markets, technology and finance.

SCHEDULE

The two day Workshops will be scheduled between March - May 2018
