

Circular No.242

AEPC/HO/SG/R&PA/2026  
May 18, 2026

Subject: Submission of Textile Statistical Returns (TSR) in Textile Statistical Returns System (TSRS)

Dear Member Exporters,

This is with regard to the mandatory submission of Textile Statistical Returns (TSR) through the Textile Statistical Returns System (TSRS) Portal by all textile units/exporters, as implemented by the Ministry of Textiles.

In this regard, all member exporters are requested to submit the required Textile Statistical Returns through the TSRS portal within the prescribed timeline. The data submitted through TSRS is utilized by the Government for policy formulation, assessment of industry performance, and development of the textile sector.

Members are advised to ensure that the information furnished in the return is complete and accurate. Timely submission of TSR will facilitate compilation of sectoral statistics and support various policy initiatives of the Government.

In case of any difficulty in filing the return, members may refer to the guidelines available on the TSRS portal or contact the concerned authority for assistance. Any guidance related to the understanding of process of online submission may be sought through email [txctsr@gmail.com](mailto:txctsr@gmail.com) which is a dedicated email ID created for streamlining technical issues, if any, by the units and for prompt resolution of the same.

The link for the submission of the return is <https://www.txcindia-stats.gov.in/>

The cooperation of all member exporters in timely submission of the returns is solicited.

With regards,

Yours sincerely,

(Mithileshwar Thakur)  
Secretary General-AEPC
